

What Should be In This Picture?

Landisville Lion's Club - Car & Craft Show
Sunday, September 15, 2015

YOUR Miata should be! ☺

I normally talk about the mechanical aspects of our beloved Miatas. But if I may, I'd like to explain a about a fun relaxing day among other cars and car enthusiasts. I would love to see more participation from our club members. Bring a lawn chair, a snack, display your car with us, and enjoy a fun day. Your car doesn't have to be a pristine example, just give it a quick wash and show up! Plus, each participant gets a plaque like the one above Left. No competition, just a "show" of cars being driven on the street.

The Landisville Lions Club does an annual Antique, Classic, and Sports Car Show every September as a fund raiser for local charities. They have done this for over 30 years. It has been a tradition for some PACE members to enter and display their cars, and I would love to see more members participating with me. This year it is on Sunday, September 20th.

It would be great to have a long line of Miatas join us at the car show this September. It is not just a car show, but a Craft and Food Fair also. There is an area where vendors have set up their canopies selling jewelry, crafts, and different kind of foods. The one booth has some really GOOD French Fries. Another had delicious Sausage Sandwiches. The Ladies can enjoy the craft fair, and we all can enjoy the cars.

See the beautiful Cobra in picture #1 to the left below, and the Willy's Street Rod in the picture #2 below to the right. The Willy's was an incredible piece of workmanship.

Take a look at the antique cars in picture #3 below. They looked as nice as the day they were built! Check out the restored 1968 Pontiac GTO in picture #4 below! The assortment of cars displayed is truly amazing. The cars have ranged from early Model-T Fords with acetylene

headlights, street rods, perfectly restored cars of various years, Corvettes and best of all.....our line of Miatas!

The Landisville Lions club does this as a fund raiser held in the Amos Herr Park, Landisville, PA 17538. The Landisville Lions support local needs. Some examples of what they sponsor are a Leader Dog for a local young girl, Ear Molds for the local Intermediate 13 unit, and Hospice of Lancaster. I have seen first hand how wonderful Hospice is so I know it is a worthy cause. They are also sponsor "Aaron's Place", which is a summer camp for special needs children.

Attached is a copy of the admission form. Registration is \$10.00 before September 11th, and it is \$15.00 the day of the event. The actual car show part is from 12:00 noon to 3:45pm, as 3:45 is when the plaques are awarded. Registration opens at 9:00am. I like to get there around 9:00am before the morning the line of cars waiting to get thru entry registration lengthens, and to watch the other cars arrive. This is not a show where our cars are judged and awarded prizes. It is a "Shine & Show" to just display our cars, advertise for our club, and meet other people. Do not worry if you don't have a pristine example. We also have picked up some new members here too! One year there were only 3 of us there, and some years we had as many as 10+ in our line up.

Lets break the record this year and see how many of us "Car Enthusiasts" can bring their Miatas to display, and help a worthy cause. If you have any questions, please call me. If you for some reason can't print the form I have attached, call Bill Ulrich of the Landisville Lions club and ask him to mail a registration form to you at 717-665-7816, or 717-587-0735.

Fill in the attached registration form, and mail it NOW with your \$10.00 early registration fee before 9-11-15.

Hope to see you there!
Bill Latsha
