INSIDE PACE

FOR PACE MIATA CLUB MEMBERS ONLY*

What a great image to represent the month of October—the fun we had as kids trick or treating coupled with the fun we’re having as adults zipping round in our sporty little Miatas.

NOT SORRY!

It’s been a terrific year as we’ve all been doing our best to come out of COVID-19. Despite the uncertainty however, PACE Miata club is growing in membership. We’re glad to report that we’ve seen more new faces at recent events and enjoy building new relationships with folks from all over the tri-state area.

PACE Miata Club prides itself on being one of Mazda’s premier sports car clubs. We do our best to provide our members awesome adventures traveling area highways and byways that offer great experiences, great destinations, and of course, great ice cream!

A big thank you to our members for their generous support of our recent Ann B. Barshinger fundraiser.

Happy Halloween **SANDY AND JOE**

PACE Fundraiser for the Ann B. Barshinger Cancer Institute in memory of member Bill Latsha

On September 18, 2021, the PACE Miata Club ran their annual fundraiser drive. This year's destination was the Yuengling Brewery in Pottsville, Pennsylvania, led by Rick and Marilyn Yanchuleff.

We had a total of 24 cars that joined us on the drive—and what a beautiful day for a drive—perfect Miata weather.

The roads north through Lancaster, Lebanon and Schuylkill Counties are beautiful and perfect for the Miata.

Yuengling offered an interesting historical tour of the brewery, and for beer lovers a unique gift shop of great memorabilia. For lunch we experienced a new treat... a now highly recommended little restaurant that graciously agreed to seat us all at last-minute notice. Bum's Rush Restaurant and Pub (serving their proprietary "Hillbilly Hooch")

bumsrushrestaurant.com served up a great menu, a pleasant atmosphere and outdoor dining overlooking the valley below.

Many of the roads on this commemorative run included long, two-lane wooded stretches of winding roads—exactly the type Bill loved to drive!

The Club raised **\$2,250.00** for the Ann B. Barshinger Cancer Institute. A big thank you to all for your generosity.

The check has been directed towards the Precision Medicine Fund, at the Ann B. Barshinger Cancer Center, that focuses on research, clinical trials, and the Proton Therapy that will soon be available here in Lancaster and will transform the way we are able to radiate tumors in highly-sensitive areas like the brain, having a direct impact on the treatment of brain tumors.

Here are some additional photos of the run and the presentation:

Marilyn Yanchuleff, club fundraising coordinator, said, *“This was our fifth annual fundraiser and I’m proud to say our members really stepped it up this year. We raised more than we have ever raised in years past, and this \$2,250 will go a long way to support patient care and research at Barshinger Center. Thank you to all members who participated in this event for coming together to support this important cause”.*

The drive will feature some extended cruising with an approximate 185 total mileage. What a day, cruising in our favorite roadsters, lunch in the middle of nowhere, and ice cream at the end. Not sure if we will see any fall colors yet, but heading north, we just might. If you want to join us, please let us know as soon as possible. j_sgolesh@hotmail.com.
